ORDER

19 CV 9900 (VB)

On November 20, 2019, the Court received a package from plaintiff, who is proceeding pro se, enclosing a letter dated November 18, 2019, and a 16GB SanDisk USB flash drive. The package appears to have been sent in response to defendants' pending motion to dismiss. (Doc. #10). It is not clear whether plaintiff provided a copy of these materials to counsel for defendants.

The Court has rejected this submission and instructed the Pro Se Intake Unit to return the package to plaintiff. Plaintiff has already opposed the motion to dismiss. (See Doc. #14) (containing plaintiff's November 8, 2019, opposition).

The Court will consider plaintiff's November 8 opposition when it decides the motion in due course.

To be clear, the Court will not accept from plaintiff any further submissions respecting the pending motion to dismiss.

The Clerk is instructed to mail a copy of this Order to plaintiff.
